By signing below, I acknowledge that to ensure my CSA membership I must pay at least a 50% deposit by March 1 and full payment is due by May 1. I also understand that a late fee of 10% will be added if payment is not received by May 1 and that if I choose to cancel my CSA I will not be reimbursed my deposit as it has been used to purchase seed and prepare for the growing season.

I agree that a share entitles me to the bounty of the harvest, which also means a share of the risk, as on occasion a crop may fail due to conditions that are beyond the control of your farmers. If I fail to pick up my share at the designated time I will forfeit my share for the week and it will be donated to charity.
